

URGENT! DO YOU OPPOSE THE COUNCIL'S HOUSING DEVELOPMENT PLAN?

Nuneaton & Bedworth Borough Council propose to build over 15,000 houses across the borough. Many residents of this borough reject this proposal and call on you to help support the abolishment of this ludicrous plan. We want a minimum of 10,000 signatures to present to the Council to clearly show that this is an excessive housing target, largely as a result of the council being bullied by Coventry council to take over 4000 homes overspill.

OUR BOROUGH IS THE MOST DENSLY POPULATED IN WARWICKSHIRE, THIS ADDITIONAL PRESSURE WILL AFFECT YOU – INCREASED TRAFFIC, LONGER WAITING TIMES FOR PUBLIC SERVICES, NOISE, POLLUTION AND PRESSURE ON THE ECONOMY.

PLEASE HELP US KEEP OUR BOROUGH BY SIGNING BELOW (PLEASE ONLY SIGN ONCE)

The housing target set by the Nuneaton & Bedworth Borough Council in the draft Borough Plan is excessive and unreasonable and overstates local need. We should not be forced to take overspill from Coventry. We are the most densely developed district in Warwickshire, and least able to take so many extra houses, while overloading local infrastructure for health, education, and roads.

We call on all Nuneaton & Bedworth Borough Councillors, and the Council, to bury political differences and work constructively in the best interests of the Borough, to:

- a) ***establish and commit to a lower housing target that matches local need;***
- b) ***reject the overspill from Coventry because it takes scarce land resources that are important to our local environment.***
